Certified Legal Nurse Consultant with 19 years of diverse healthcare experience in clinical and administrative roles, specializing in long-term care, rehabilitation, memory care, and elder abuse/neglect cases. Expertise in delivering clear and defensible medical analyses, providing attorneys with valuable insights into causation and expert-level interpretations of complex medical records. Recognized for identifying deviations from standards of care, regulatory failures, and injury patterns that significantly influence litigation strategies. Committed to enhancing the legal process through meticulous attention to detail and a deep understanding of healthcare dynamics.
