PROFESSIONAL SUMMARY

Compassionate and driven nursing professional with hands-on clinical experience in diverse healthcare settings, including Medical-Surgical, ICU, Stepdown, ER, Progressive Care, and Acute Care units. Adept at delivering high-quality, empathetic care in high-acuity environments such as emergency rooms and intensive care units. Demonstrates strong clinical judgment, rapid critical thinking, and the ability to remain calm and effective under pressure. Proficient in ECG monitoring, venipuncture, medication administration, and emergency response, with a solid understanding of patient stabilization and complex care needs. Known for excellent communication, collaborative teamwork, and bilingual fluency in English and Russian. A proven leader and advocate for patient-centered care, with a steadfast commitment to safety, compassion, and positive health outcomes.
