## WORK HISTORY

**Gila Health Resources - NP-BC, MSN, COHN, COHC, CEAS II,**  
Morenci, AZ • 07/2024 - Current

- I treat on average 8-10 different kinds of injuries daily from a mining environment and correlate workers compensation.
- I perform thorough pre placement exams
- I monitor for silicosis and hearing threshold shifts.
- I use critical thinking skills and problem solving every day
- I have become more familiar with processes from drug screens to fit for duties, audiograms, respirator fit tests, and other tasks
- I have an array of knowledge from medical and safety standpoints from a power plant, hospital and now a mine
- Self-motivated, with a strong sense of personal responsibility.
- Worked effectively in fast-paced environments.
- Skilled at working independently and collaboratively in a team environment.
- Proven ability to learn quickly and adapt to new situations.
- Excellent communication skills, both verbal and written.
- Demonstrated respect, friendliness and willingness to help wherever needed.
- Passionate about learning and committed to continual improvement.
- Managed time efficiently in order to complete all tasks within deadlines.
- Paid attention to detail while completing assignments.
- Learned and adapted quickly to new technology and software applications.

**Summit Healthcare Regional Medical Center - RN/APRN**  
Show Low, AZ • 09/2018 - 04/2024

- Oversaw occupational healthcare for a 101-bed medical facility with nearly 200 healthcare professionals and more than 1200 clinical staff

Show Low, AZ • 01/2014
