

# Kameron Doyle

RN, MS, CNOR, CLNC

Houston, Tx | 832.207.8045 | kameron@kd-inc.com

## Summary of Qualifications

- Registered Nurse and Certified Legal Nurse Consultant with over a decade of perioperative clinical experience in pediatric and adult populations.
- Expertise in high-risk surgical specialties including trauma, neurosurgery, robotic-assisted surgery, and oncology.
- Owner of ***KD Legal Nurse Consulting***; provides thorough, efficient medical record reviews for personal injury, malpractice, and toxic tort litigation.
- Proficient in electronic medical record systems (Epic); experienced in evaluating standard of care and identifying clinical discrepancies.

## Professional Experience

### **KD Legal Nurse Consulting, LLC | Owner and Legal Nurse Consultant | 2025 – Present**

- Provides medical record reviews for plaintiff and defense attorneys in personal injury, medical malpractice, product liability, and toxic tort cases.
- Delivers concise, evidence-based insights grounded in nursing standards of care to support legal strategy and case development.
- Applies over a decade of surgical and EMR experience to evaluate records efficiently and identify key issues in causation, liability, and standard of care.

### **Houston Methodist Hospital | Operating Room Nurse (Circulating & Scrub) | 2018 – Present**

- Delivers individualized perioperative care to adult patients across a range of surgical specialties, including Neurosurgery, Spinal Fusions, General Surgery, Robotic-Assisted Surgery, Colorectal, Urology, and Surgical Oncology.
- Ensures nursing care aligns with facility protocols, regulatory standards, and best practices for patient safety and outcomes.
- Appointed Chair of the Hospital-wide Normothermia Council (2024); led a performance improvement initiative to enhance intraoperative normothermia practices across perioperative departments.

**Texas Children's Hospital | Operating Room Nurse (Circulating & Scrub) | 2018**

- Provided individualized perioperative care to pediatric patients across diverse surgical specialties, including Neurosurgery, Orthopedics, ENT, Ophthalmology, General Surgery, and Plastic Surgery.
- Ensured safe, developmentally appropriate surgical support as both scrub and circulating nurse in a high-acuity pediatric setting.

**MD Anderson Cancer Center | Operating Room Nurse (Circulating & Scrub) | 2017 – 2018**

- Coordinated and delivered perioperative care for patients undergoing complex oncologic and reconstructive procedures.
- Surgical specialties included Plastic Surgery, ENT, Ophthalmology, Surgical Oncology, and Gynecological Surgery.
- Supported multidisciplinary treatment plans with a focus on surgical precision, safety, and compassionate patient care.

**OR Nurses Nationwide | Operating Room & PACU Nurse (Travel Assignment) | 2016 – 2017**

- Provided circulating and PACU nursing care across multiple hospital systems in the DFW and Houston areas.
- Delivered high-quality perioperative and post-anesthesia care in diverse clinical environments, adapting quickly to facility protocols and surgical team needs.
- Supported staffing coverage for high-volume ORs while maintaining patient safety and continuity of care.

**Children's Medical Center Dallas | Operating Room Nurse (Circulating & Scrub) | 2012 – 2016**

- Provided perioperative care for pediatric patients across high-volume surgical services, including Trauma, Neurosurgery, Orthopedics, ENT, Ophthalmology, General Surgery, Plastic Surgery, and Dental procedures under anesthesia.
- Supported both elective and urgent procedures, managing care for children with complex, acute, and life-threatening conditions.
- Excelled in a fast-paced OR environment while maintaining precision, teamwork, and patient-centered care.
