- Recognized nursing leadership and awards for excellence and compassion.
- Bilingual communication skills (English and Russian).

EXPERIENCE

ICU REGISTERED NURSE — Ascension Seton Williamson

Round Rock, TX, *June 2025 - Present*

- Utilize critical thinking skills to assess changes in patient conditions, recognize complications, and intervene appropriately.
- Manage multiple tasks while providing timely, high-quality patient care.
- Demonstrate strong communication skills to collaborate with interdisciplinary team members to ensure optimal patient care outcomes.
- Provide direct patient care, including assessment and evaluation of health status, and development of individualized plans of care and implementation of nursing interventions.
- Educate patients about their diagnosis, medications, nutrition requirements, and pain management strategies.
- Initiate resuscitative measures to reduce disability and death from acute circulatory and respiratory emergencies.

PATIENT CARE TECHNICIAN — Baylor Scott & White

Round Rock, TX, *May 2024 - June 2025*

- Utilized computer systems for charting and organizing patient data in an accurate and timely manner for medical records.
- Reported changes in patient status to nursing staff promptly.
- Responded promptly to emergencies using established protocols.
- Participated in multi-skilled activities, supporting a patient-centered approach to achieving desired outcomes.
- Assisted nurses and physicians in the operation of medical equipment and the provision of patient care.

STUDENT NURSE INTERN — Ascension Seton Medical Center Austin

Austin, TX, *January 2025 - May 2025*

- Assisted with admission, transfer, and discharge processes for patients.
- Utilized critical thinking skills to assess, plan, implement, and evaluate patient care needs.
- Organized and maintained accurate documentation of patient information in Electronic Medical Records.
- Participated in educational activities related to nursing practices and healthcare policies.

- Applied knowledge of pharmacology principles when administering medications to patients and monitored for reactions or side effects.

PRIVATE HOME CAREGIVER — Home Health

Austin, TX, *April 2023 - June 2024*

- Provided compassionate, personalized care to elderly and disabled individuals in private homes.
- Actively listened to concerns expressed by clients or family members related to care provided.
- Developed individualized care plans that incorporated the client's wishes and needs.
- Educated family members regarding safety measures and proper techniques when providing care for their loved ones.
- Utilized problem-solving skills to address challenging behaviors while maintaining a safe environment for all involved parties.
